### “ANY GLASS FOR ANY VEHICLE”

Your vehicle was designed to save your life in case of an accident. Your windshield is the backbone of that crash management system. When your windshield is broken, it becomes the weakest part of your vehicle protection system. Don't gamble with your family's safety. Replace that windshield today . . . it just may save your life tomorrow!

## American Mobile Glass

- Leaders in the you-name-the-spot windshield service industry since 1946. Always keeping our focus on satisfying our customers' needs with safety, quality, service, and all at a competitive price.
- A combination of knowledgeable office staff, a friendly sales staff and certified auto glass technicians makes a true winning team.

**WARNING!** Don't drive another day with that break in your windshield . . . . .  
**your family's life may depend on it!**
